Attendance Policy Acknowledgement:

Students are expected to attend all lectures. Attendance will be taken during every lecture and will be part of your final grade (as part of class participation). They are also encouraged to actively participate during problem-solving and Q and A sessions. Absence from classes may be excused, with appropriate documentation, for illness, critical family emergencies, military service obligations, observance of major religious holidays, and certain university service commitments. Documentation regarding any reasons for absence must be provided to the instructor by the end of the week of the missed lecture. If the student is unable to attend a class due to approved or personal reasons, it is the student's responsibility to use the slides/videos posted online or the lecture archives on canvas and the textbook to learn the content and to contact either the Instructor or the TA to clarify any doubts.

As a student enrolled in CSE 4308/5360, I will adhere to the attendance policy given above.

Assignment Policy Acknowledgement:

*There will be several programming assignments in this course. If you find yourself in an emergency and cannot deliver the assignments on time, immediately inform the instructor. The work done for the assignment must be your individual work. Any external resources or code segments you want to use must first be cleared with the instructor and cited appropriately in your work. **Violations of this will not be tolerated and result in severe penalties for all parties involved, in strict compliance to official UTA policy.***

The assignments must be coded in base versions of C, C++, Python, Java. Alternatively, they can be coded to run on the ACS machine omega (All students will have an account on the ACS machine omega). Note that Omega compatibility is not required (just provided as an option for students). If any partial code is provided as part of the assignment, it will generally be only provided in a limited number of languages. However, you are under no obligation or requirement to use it. Additional details will be announced in class.

All assignments are required. No assignments will be dropped from your final score (unless in case of a documented emergency).

All submissions (written and programming) must be submitted via Canvas. No other methods of submission are accepted under any circumstances.

*Certain assignment **may** be classified as optional assignments. These will be announced beforehand in class. Scores for these assignments will only be used if they will improve your average assignment score. Otherwise scores from these assignments will be ignored.*

*The points each assignment graded out of will be provided as part of its description. Assignments submitted late will be automatically penalized, at a rate of **5% of assignment max points per hour late**. Note that the link to submit the assignment will be removed **24 hours** after the due date. The submission due time (and the time the submission link will be available till) will be shown in Canvas and the course webpage. **No submissions will be accepted after the link is no longer available.** Exceptions will only be made for documented emergencies, in strict adherence to UTA policy. Computer/Network crashes, Submission of Incomplete files, Submission of Incorrect Files, Submitting at Incorrect Link are NOT acceptable excuses for late submissions. **No exceptions will be made.** To avoid problems with such crashes and last-minute problems, students are encouraged to submit as early as possible. They are also advised to ensure that their file was uploaded correctly once you finish submitting it and make a resubmission ASAP in case of any errors. You can always revise your submission till the deadline. If you are unable to work on/submit an assignment due to a valid documented reason (illness, critical family emergencies, military service obligations, observance of major religious holidays, and certain university service commitments) and provide the documentation before the deadline for the assignment, one assignment will be excused from your final grade calculation.*

As a student enrolled in CSE 4308/5360, I have read and understood the assignment policy described above.

Exam Policy Acknowledgement:

There will be five non-cumulative quizzes spread out throughout the course. All quizzes will have equal weight. No quiz scores will be dropped. The quizzes will be held on campus as in-person quizzes barring any new developments in the COVID-19 pandemic. If the university requires quizzes and exams to be moved online, then they will be held online via the Lockdown browser with Respondus monitoring system. The quizzes are closed book/closed notes. However, quiz relevant formulae and algorithms will be provided with the question paper. No other material is allowed during the quiz. Students may also need a non-programmable standard or scientific calculator.

*There will be one Final Exam held during finals week that covers all testable material discussed in class during the semester. The exact date, time and location of the Exam will be determined by the university and posted at <https://www.uta.edu/administration/registrar/calendars/final-exams>. The exam is a closed book exam. The exam booklet will include all relevant formulae and algorithms. In addition, Students are allowed 1 sheet of **handwritten** notes they can use during the exam. These notes can contain whatever information the students feel might be useful during the exam but cannot contain solutions to problems discussed during the class or from the quizzes or from other sources and will have to be submitted along with your exam (more details will be given in class). Students will also need a non-programmable standard or scientific calculator. No other material is allowed during the exam. **Presence of unauthorized material in your notes or in any other form will be treated as cheating and penalized as such.***

*For both quizzes and the Final, please follow all instructions regarding what information needs to be provided in your answer booklet. Missing information will be penalized. These penalties will not be reverted under any circumstances. All work done during the quizzes, or the exam has to be individual work. **Violations of this will not be tolerated and result in severe penalties for all parties involved, in strict compliance to official UTA policy.***

*Absence from quizzes may be excused, with appropriate documentation, for illness, critical family emergencies, military service obligations, observance of major religious holidays, and certain university service commitments. Requests for excused absence, and documentation for such absences, must be provided as soon as possible. In case of excused absence, a makeup quiz covering the same material will be setup and conducted by the instructor at a date before the last day of finals week. **Even if the reason for an absence/non-attendance is valid, a request for an excused absence/re-attempt will be rejected if provided later than the day of the exam.** The dates for all the quizzes are subject to change. Any changes will be announced in class atleast a week in advance.*

Absence from the final exam may be excused, with appropriate documentation, for illness, critical family emergencies, military service obligations, observance of major religious holidays, and certain university service commitments. Requests for excused absence, and documentation for such absences, must be provided before the end of Finals Week. In case of excused absence, the student will be given a grade of Incomplete (I). A makeup final will be setup and conducted by the instructor at a date at some point in Spring 2023 and the grade updated based on the score from that exam. The exact date, time and location of the Exam will be determined by the university and posted at the link given above. Students are expected to be available till the last day of finals week. No accommodations/makeup exams will be provided if the student will miss the Final exam due to being unavailable before the last day of finals week due to travel plans.

As a student enrolled in CSE 4308/5360, I have read and understood the exam policy described above.

Grading Policy Acknowledgement:

You will be assigned a numerical final score based on your performance in your assignments, your quizzes and in your final exam.

Material	Contribution to Final score
Average Quiz Score	40%
Average Assignment Score	20%
Class Participation Score	5%
Final Exam	35%

The quizzes and assignments averages will be calculated with each quiz or assignment contributing equally to the average:

$$Score_{avg} = \frac{\sum_n \left(\frac{Score}{Score_{max}} * 100 \right)}{n}$$

The class participation score will be based on viewing statistics of the class lectures, student participation in the problem-solving sessions and class attendance. This numeric score is converted to a letter grade according to the following rubric.

Numerical Score	Grade
>= 85	A
>= 70 & < 85	B
>= 55 & < 70	C
>= 40 & < 55	D
Otherwise	F

For the Quizzes and Assignments, if any tasks were graded incorrectly (a correct answer given less than full credit) or if there is a totaling error, please contact either the TA or the instructor ASAP. Any partial credit obtained for incorrect tasks is not up for discussion/negotiation.

Students are expected to keep track of their performance throughout the semester and seek guidance from available sources (including the instructor) if their performance drops below satisfactory levels. **No makeup assignments, quizzes or exams will be provided for the purpose of bumping up your grade under any circumstances**

As a student enrolled in CSE 4308/5360, I have read and understood the grading policy described above.
